- ✓ Sign making
- ✓ Directional Signage
- ✓ Exhibition Stands & Displays
- ✓ CNC Lettering
- ✓ Display signage
- ✓ Internal Fitouts

PROBOND ClassicX30® is the ideal panel for all general sign making, formwork and innovative point of sale display requirements.

PROBOND ClassicX30® is ideal for all types of general signage applications.

Available in a large range of sizes and with a 0.30mm Premium Grade aluminium skin, it is the ideal panel for your everyday signage requirements.

Ideal for CNC routing and folding, the thicker skin and superior grade aluminium makes PROBOND ClassicX30® a better choice for sign-makers.
