Applications

- ✓ Lower features on Caravans and Camper Trailers
- ✓ Trailer Cladding
- ✓ Toolbox Cladding
- ✓ Does not mark or dent easily

PROBOND Ultra® Raptor Black is ideal for use for stoneguard protection and highlight applications for caravans and recreational vehicles

PROBOND Ultra® Raptor Black is the ultimate aluminium composite panel and is suitable for high quality long-lasting cladding details in mobile situations. It is particularly suited for use as stoneguard protection, the textured surface allows for retouching with minimum visual impact.

Also suitable for industrial situations, PROBOND Ultra® Raptor Black offers a stylish finish in typically punishing environments.

This unique panel has a PPG FEVE Coating for extended outdoor durability designed to withstand the harsh Australian UV conditions.

PROBOND Ultra® Raptor Black is the first choice for high quality long-term use

* Not suitable for horizontal applications or complete cladding.
